IN THE SENATE OF THE UNITED STATES

FEBRUARY 4, 2021

Mrs. SHAHEEN introduced the following bill; which was read twice and referred to the Committee on Commerce, Science, and Transportation

A BILL

To establish a Governor's Emergency STEM Promotion Fund, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 SECTION 1. SHORT TITLE.

4 This Act may be cited as the “Emergency Support
5 for STEM Act”.

6 SEC. 2. FINDINGS.

7 Congress finds the following:

8 (1) The COVID–19 pandemic has caused tre-
9 mendous repercussions within the kindergarten

1 through grade 12 education system of the United
2 States.

3 (2) It is imperative to support hands-on learn-
4 ing opportunities in science, technology, engineering,
5 and mathematics (referred to in this section as
6 “STEM”) education through programs that—

7 (A) provide innovative experiences for stu-
8 dents;

9 (B) have strong track records of success;
10 and

11 (C) typically include nonprofit partnerships
12 among the schools, nonprofit organizations, and
13 private businesses.

14 (3) Due to the severe economic damage caused
15 by the COVID–19 pandemic to organizations offer-
16 ing STEM programs, these programs now face sig-
17 nificant funding challenges.

18 (4) The long-term effects of the COVID–19
19 pandemic will be felt for years to come without pub-
20 lic economic educational support to help these types
21 of STEM opportunities.

22 (5) Lack of investment in these critical pro-
23 grams will lead to limited innovative learning oppor-
24 tunities in the STEM fields, causing a drastic loss

1 of technical and professional skills training for this
2 generation of students.
